

PROVIDER NOTICE

Health Plus Members Can Now Self-Refer for Mammography Services

Dear Participating Mammography Provider:

Effective immediately, Health Plus members can obtain a mammogram at your facility **without a PCP referral or prior authorization from Health Plus. Members need only present their Health Plus ID or Medicaid card at the time of their appointment.**

Reimbursement for mammography services is based on member eligibility on the date of service. To check member eligibility, call the INFO PLUS Automated Provider Line at 1-800-639-6968, or log on to the Health Plus web site at www.healthplus-ny.org (click the INFO PLUS option under the "Providers" tab).

Please encourage Health Plus members to consult their printed provider directory (under *Ancillary Providers*) or the Health Plus web site for a list of participating radiology providers. On the web site, members can click *Find a Provider* to obtain a list of participating radiology providers who meet their desired criteria (i.e. location, type of facility, etc.). As wait times for mammography appointments vary significantly across facilities, members can choose the provider who can offer the most prompt appointment.

Should you have any further questions about self-referrals for mammography, please call the Health Plus Provider Service Line at: 1-800-450-8753 anytime between 9 am and 6 pm, Monday through Friday.
