

PROVIDER NOTICE

Health Plus is pleased to announce that **Quest Diagnostics** is now our “**Preferred**” laboratory provider. **Quest Diagnostics** performs a wide range of diagnostic tests and operates an extensive lab network, providing healthcare practitioners and patients with convenient access to various lab services, flexible pick-up arrangements, and online appointment scheduling. They operate over 200 Patient Service Centers throughout the New York area.

Please use **Quest Diagnostics** as the first-choice laboratory for Health Plus members and advise your office staff and patients of their toll-free 24 hour access numbers:

- Patient Service Center locator line at **1 (800) 377-8448**, and
- Appointment scheduler line at **1 (888) 277-8772**.

The remaining Health Plus network lab companies are as follows:

- **Centralized Laboratory Services.**
- **Quentin Medical Laboratories** (*for dialysis centers*)
- **Shiel Medical Laboratories**
- **Bio-Reference Laboratories**
- **Sherman Abrams laboratories**

Please do not refer our members to LabCorp, as this company is not part of our network.

This notice does not affect hospital-based laboratories, which remain in the Health Plus network under current contracts.

Thank you in advance for your understanding of these recent changes. As always, if you have any questions or concerns, please call the Health Plus Provider Care Center at: **1 (800) 450-8753**.
