

Dear Valued Member,

Welcome to Health Plus Elite!

As you know, one of the great benefits of Health Plus Elite is our BE BETTER Over-the-Counter (OTC) Benefit -- providing you with \$50 a month (\$600 per year) for select OTC drugs and supplies.

Now, with our BE BETTER OTC Benefit, you can get the approved items you need (up to \$50 a month worth!) at no cost to you. And you can choose to have them delivered to your door... This online catalogue lists these items for your convenience.

So BE BETTER. And enjoy \$50 a month towards better health on us!

But remember: USE your \$50 each month or you'll lose out on a great benefit! Unused portions per month cannot be carried over from month to month. There are NO shipping charges for online orders but don't forget to have your Health Plus Elite ID card with you when placing your orders.

Sincerely,

Member Services
